

R MAHESH WINS MIMR

MUMBAI: Commander R Mahesh won the Mumbai International Yacht race 2009 yesterday by defeating Farokh Tarapore in the final. This should come as sweet revenge for Mahesh, who had lost the grade III sailing event held just prior to this to Tarapore. This time, however, he and his team swung their boats to catch the slightest of breeze to win the best of five finals with three wins. The French team captained by Francois Morvan won the bronze, while world champion Nitin Mongia came in at fourth place.
